Subject: Which list of Declared Parishes

Steve,
Thank you again for sending the list of Declared Counties/Parishes yesterday.
Here's a to-the-point question:
The list you sent yesterday (below) for LA PA-B and the FEMA LA Disaster 3382 page PA-B don't match.
<https://www.fema.gov/disaster/3382/designated-areas>

Which do we follow if we want the "federally declared parishes"? The number of affected NPL sites changes between the two lists.

I apologize if someone else is supposed to send this to you. I'm not in the REOC.

No, thank you! But I don't know about Sabine, LA. It is not listed on the FEMA pages...?

Hi Lara,
I know you're swamped, so thank you for your help!
This is the list that Steve sent yesterday, but is it the one you use?
Sabine TX, Sabine LA, Waller TX and Rapides LA are included.

They just added three more counties for Categories A and B

Polk, Tyler, and Walker.

So...

- There are 36 total counties declared for FEMA-4332-DR-TX: 32 counties IA and PA Cat A & B and DFA in addition to 4 counties PA Cat B and DFA

Hi Steve,
Katrina needs a description the possible “categories” for the federally declared counties and parishes, plus the category designation for each county/parish. Do you have that available? Any format (txt, xls, doc, etc.) is perfect. I talked with Eric Delgado and he mentioned I should get in touch with you.

Also, I wanted to verify if Waller County or Walker County is one of the federally declared counties. I saw a website with Waller. <https://www.disasterassistance.gov/>

Thank you!!
Melody
